

10 Ways We Communicate with Families @ TBS

Parent forms get us started, with information that helps us care for your child.

Please mail or deliver hard copies of all forms to the Office by August 16th, so your teachers can review and reach out before school begins to ask questions and introduce themselves.

A phone call is always the best way to reach us: (914) 479 - 5360

For anything regarding same-day, call us – do not email, as we are connecting with your children and do not check email regularly during school hours. This includes pick up changes, forgotten lunches, absences, illness, late arrivals/pick ups, etc.

If you would like to speak with us regarding your child at any time, you can always call the office, email Kate, or your teachers (they will provide addresses at Back to School Night) and the team will respond when they are not in the classroom to set up a time to chat.

Scheduled conferences during the year.

Touch-Base Conferences in October for all classes to get to know your teachers.
Spring Conferences in February for our Pre-K 4/5s and March for our 2s and 3s.

Daily photos and Friday weekly updates will be posted on Bloomz.

We use the Bloomz app in all classrooms; on Back to School Night you'll receive your class code to be connected to your class community via email, text and robocall!

Check your email for updates from Kate and the Temple regularly.

For program news, health notifications, policy updates, Temple events, and community updates, we will always send an email and post the link on Bloomz.

In the case of closure, snow day or emergency – we will use Bloomz to send text and robocall alerts, email, and post on social media. When you enroll for Bloomz, you'll need to opt-in for robocalls, text and email updates.

Visit our website for school calendar, forms and Temple programs.

Check www.tbshastings.org often to find our calendar, program times and more.
